BOOKCHECKS help to keep a check on borrowings. Write out a BOOKCHECK with your name in the top space and record the details of who you are lending it to on the stub. Tear out the bookmark, and place it inside the book. This gives the lender a permanent record and the borrower an attractive reminder of who the book belongs to.

BOOKCHECKS are printed in high quality card with twelve checks in each book. There are currently four designs available. They are priced at £5.00 each (incl UK P&P) and there is a minimum order of 2 books.

Trade accounts are available. For further information please contact **Sabina ffrench Blake**.
